Infinitylaw

Developed specifically for law firms and legal professionals, Infinitylaw connects your matters, documents, precedents, billing, workflow and client relationships – all from one platform.

Manage your practice in one place

Drive efficiencies across your legal practice with an end-toend practice management solution.

Enjoy seamless integration

Switch easily between Westlaw AU, your go-to legal research tool, and Softdocs, your resource for leading forms and precedents.

Reclaim your billable time

Improve the way you capture time with multiple running clocks that can be paused and restarted in a single click perfect for busy practices.

Leverage inbuilt marketing tools

Drive targeted marketing campaigns using our inbuilt tools to strengthen your firm's business development.

Stay mobile

Sync client matters straight from your mobile device so that you can record time and register activity details from wherever you are.

Measure performance

Take advantage of an extensive library of reports and gain access to intelligence about your time efficiency and fee management.
